TERRACE BAY JUNIORS DEFEAT JACKFISH 24-20 (As seen through the eyes of a cub reporter who played on the Terrace Bay team).

Terrace Bay Juniors played at Jackfish on May 29th. Carl Dahl pitched the first inning for Jackfish. Terrace Bay got two runs in the first inning off hits by T. Cavanaugh and G. Savoy. G. Savoy pitched the first two innings with T. Cavanaugh pitching the remaining seven. Tim McInnes caught a great game behind the plate.

Charmaine Dodge, the only girl on the beam made a very smart jump catch on a hard hit ball by one of the Jackfish players. The sixth, seventh and eighth innings were scoreless innings for Jackfish. In the ninth they tried vainly to catch the "Bayittes" by getting a four run rally. G. Savoy hit the only home run of the entire game. J. LeBlanc was also another of the home team's heavy hitters.

GIRLS' SOFTBALL ORGANIZES Girls' softball was organized for the current season at a meeting held in the Community Hall on May 31st and the first practice was held last evening. Plans call for the operation of Girls' Softball under the sponsorship of the Men's Softball Association and it is expected that there will be a minimum of two teams with Marg Storey and Kay Fawcett acting as captains. The team captains will choose their teams from Dominion Catering, LongLac and Townsite ladies. The two teams will be coached by Lorne Woodard and Bill Borsum and for the next two or three weeks, practices will be held at the North Camp Field. From these two teams an All Star team will be developed to represent Terrace Bay in exhibition games with outside teams.

Some of the best entertainment provided at the ball field last season brought together girls' teams from the Lakehead and an All Star Terrace Bay girls' team although our girls were not able to break into the win column, they played excellent ball and there is every reason to believe that their efforts this year will prove to be more successful.
