STARS OF THE FUTURE Last Monday evening after school more than twenty youngsters got together at the local ball field under the supervision of Phil Stuart to learn a little about the game of hardball. While most of the boys were awkward to say the least, their enthusiasm was really something to behold. There is no question about the fact that training the youngsters in this manner will do much for the sporting life of the community in the future and in the meantime the lads are going to have a lot of fun. As a matter of fact, they are already making plans to play hardball against nearby communities. The two team captains for the afternoon were Tim McInnes and Terry Cavanaugh. Those also present at the practice were R. Marcella, Billie Marsh, John LeBlanc, Doug Smith, Jackie Marsh, John Boudreau, John Galvin, Stan Kowalik, Paul Marcella, Roger Savoy, Gord Savoy, Jake Compton, Morris Sitko, Terry McInnes, Reg LeBlanc, Stan Savoy, Claude Boudreau, Ronnie McKay and Gil Savoy.
