

DOMINION DAY CELEBRATION Everybody is talking about the big Dominion Day celebration scheduled for July 1st at Terrace Bay. As previously announced this celebration is being sponsored by the Terrace Bay Branch of the Canadian Legion, St. Martin's Men's Club and Local 665 of the International Brotherhood of Pulp & Sulphite & Paper Mill Workers. Everyone is invited to be on hand when the races get underway at the ball field at 1:30 p.m. These events will be followed by a Tug-O-War which will precede a softball game scheduled for 3:30 p.m. between the Terrace Bay Comets coached by Harry Ganja and an All Star Team from the House League, coached by John Holancin. In the evening at 7:30 p.m. there will be Boxing Matches and from 10:30 p.m. to 1:00 a.m. a free dance in the Recreation Hall.

Entries for the Tug-O-War event must be in the hands of Ed Brady not later than June 25th. Throughout the day at the Curling Rink, refreshments will be available at a nominal cost and numerous games will be set up.

ATTENTION: JUNIOR TENNIS PLAYERS (16 AND UNDER) Instructions for all those interested will be given by two of our Senior players on Saturday, June 25th from 10:00 a.m. to 12:00 noon.

In order for the club to decide how many members wish to take instructions it is important that as many as possible turn out Saturday morning.

WHEREVER YOU SMOKE - BE CAREFUL This is the time of year when much is said about forest fires and the need for caution on the part of everyone walking or driving through wooded areas. Invariably, every year, many forest fires are caused by careless or thoughtless smokers.

Smokers also cause fires in bunkhouses, dormitories, public buildings and homes. In fact it's not uncommon to read about someone being burned to death after having fallen asleep while smoking.

In industry, too, careless smokers cause trouble and for this reason smoking is generally prohibited entirely or restricted to smoking areas. Throughout our mill there are smoking areas and naturally every employee is expected to confine smoking to these areas.

Wherever you smoke - be careful!
