DUMAS - WALKER WEDDING A pretty wedding was quietly solemnized on Thursday, June 30th at 6:00 p.m. when Donna Anne Dumas, daughter of Mr. and Mrs. O. Dumas of Hurkett, Ontario was united in marriage to LaVergne Walker, son of Mr. and Mrs. J. L. Walker of Winnipeg. The ceremony was performed at the Community Church Parsonage by Rev. A. F. Lavender. Bridesmaid at the wedding was Miss Kay Biesenthal and the best man, Ken Weppler. Mr. and Mrs. Walker will reside at 150A Birch Crescent, Terrace Bay.

LET'S BE CAREFUL This is the time of year when fires break out so easily. Everything is tinder dry. Therefore too much emphasis cannot be placed on the need for everyone to be very careful with anything that might cause a fire. Smokers in particular are urged to be careful. Persons who go fishing or camping and have reason to light a fire should exercise extreme care and be certain that every ember is out before leaving a fire. Motorists are cautioned against throwing lighted matches, cigar or cigarette butts or pipe ashes from car windows. And parents too are urged to explain to children that playing with matches or lighting fires of any sort is a dangerous practice. With everyone co-operating we can be free from the ravages of fire.

DOMINION DAY CELEBRATIONS SUCCESSFUL The Dominion Day Celebrations at Terrace Bay sponsored by the Canadian Legion, Local 665 and St. Martin's Men's Club proved to be a real drawing card and much credit is due to those who worked so hard to make it a success.

Starting shortly after 1:30 p.m. at the Ball Park events included races for children and adults with a softball game climaxing the afternoon activities which saw Harry Ganja's Terrace Bay Comets defeat John Holancin's All Stars by a 13-11 score.

After supper there were boxing matches at the Ball Park followed by a dance in the Recreation Hall.

Throughout the afternoon and evening refreshments were sold and games operated in the curling rink.

All in all it was a splendid effort on the part of the sponsoring organizations and everyone will be looking forward to a repeat performance.

AN IMPORTANT MESSAGE

During the recent shutdown, Cal Harvey, Pipefitter Foreman, suffered severe internal injuries when he took a drink from a wash-up hose. At the time, the mill water supply was off and somehow caustic had backed up into the hose line. During and immediately following shutdowns in a chemical pulp mill such as ours, care should be taken to be sure that only water is coming from wash-up hoses. And too much emphasis cannot be placed on the importance of drinking only from drinking fountains since they are on an independent water system. NEVER AT ANY TIME SHOULD ANYONE DRINK FROM A WASH-UP HOSE.
