

BLOOD DONORS WANTED!

Once again we are calling throughout the mill for Volunteer Blood Donors. This means ten minutes of your time to have a sample of blood tested and grouped according to type so that when an emergency arises either in the Mill or in the Townsite, and a blood transfusion is necessary, valuable time will not be wasted in trying to find a donor. Every employee in the Mill should be anxious to be placed on the Blood Donor list. Who knows..... the next emergency may be for you or your family.....

Please leave your name at the First Aid Room as soon as possible and let's make the Blood Donor List 100% complete.

We are not asking you to give a transfusion at this time. We are merely asking to have your name on the list in case of an emergency.
