

Or do you catch the Accelerator Fever and break out in a hurry rash?

Give yourself a little needling about this and do some checking. If you're going somewhere, make the trip a special test for your safe driving.

SAFETY CONTEST STANDINGS TO AUGUST 11, 1949

(Contest Period Aug. 1/49 to Nov. 1/49)

	<u>DISABLING INJURIES</u>		<u>Safe Days</u>
	<u>During Contest</u>	<u>Since Jan. 1/49</u>	<u>Since Last Disabling Injury</u>
Services, Technical and Personnel Office	0	0	264
Steam, Structural and Hospital	0	0	241
Pulp Department and Hotel	0	5	54
Wood Handling and General Office	1	5	9
Maintenance and Miscellaneous Office	1	6	0

Two disabling injuries during the first 11 days of our new Safety Contest have placed "Wood Handling and General Office" and "Maintenance and Misc. Office" in the basement of the standings and we will all have to keep "on our toes" to eliminate disabling injuries for the balance of the three month contest period if we are to do as well as during the first contest which ended in June when the monthly frequency was reduced from 21.54 at the start of the contest to 8.81 when the contest closed.

ACCIDENTS DO NOT HAPPEN - THEY ARE CAUSED Let's do all we can to prevent them!
