

TWO NOTES OF THANKS "We cannot find the words that would convey and express our gratitude to the people of this community for the help you have given and are still giving my family and I during my temporary disability due to a broken ankle suffered in a ball game.

"We wish to extend our sincere thanks for your pronounced financial help, to those who have helped us in various other ways, to the numerous visitors during my stay in hospital, to the people of Schreiber and to the management of Terrace Bay.

"We are proud and happy to be a small unit in this great community. Once more a thousand thanks for everything you have all done for us."

Phil Stuart and family.

"I should like to thank the people of Terrace Bay very much for the wonderful support and contribution which I received from the ball game and dance held on my behalf. It came as a great surprise and I really appreciate it. I should also like to thank all those who have sent me cards and who have been interested in my welfare and I hope to be back in Terrace Bay among my friends again."

Jock MacCall.
