SKI ENTHUSIASTS PLEASE NOTE

Advice has been received that the necessary cleaning work on the new hill is almost complete. However, there are plenty

of small jobs to be done to complete the clearing of small brush. Any persons who contemplate doing a bit of skiing this winter and who feel like contributing a couple of hours toward that pleasure are asked to contact either Ed. Burke or Jack O'Connor at House #36. The location of the hill is in the vicinity of the Hydro surge tank.
