

TEEN TOWN ACTIVITY The Teen-agers have gotten themselves down to business now and have tentative plans for an active fall and winter programme. At a recent meeting it was decided to hold a Hallow'een Masquerade and Party at the Legion Hall on Saturday, October 29th. All teen-agers intending to attend, are reminded that they must be in some sort of costume in order to be admitted. A special committee has been set up to take care of decorations, music, etc., and another committee of girls has been set up to look after the all important business of cake, sandwiches, coffee, etc.

This event is just a fore-runner of a series of events that the teen-agers have in mind. It is contemplated that members of the club will pay a visit to one of our neighbouring teen-age clubs, one of these fine Saturdays. Another project is a full **scale** dance for adults to be operated by the kids. On top of all this activity comes news of the possibility of a new home for the gang, where they can meet one another almost any day of the week. More about that later.

All in all kids, it looks like a real swell winter coming up, so let's stick together and see these plans completed.

ATTENTION CURLERS Once again the Curling Executive are endeavouring to hold the Annual Meeting. However, as you already know, that without a sufficient number of Curlers in attendance it is impossible to hold a regular meeting. That is just exactly what happened on October 19th when the last meeting was called. So now, you have another chance to show your Executive that you are backing them. Wednesday, November 2nd at 7:30 p.m. in the Community Hall opposite the Post Office, is your big date to remember.

CREST CONTEST At the last meeting of the Recreation Committee it was decided to conduct a contest for a crest to be symbolic of our Recreation Committee. As a motif, it was decided that the Union Jack, the Stars and Stripes and the Maple Leaf should be included in the design, along with the words "Terrace Bay". Any drawings submitted need not be completed in colour, however, it is desirable to have them coloured if at all possible. The committee are awarding a prize of \$10.00 for the best design and all entries are to be in by November 15th. The committee reserves the right to choose the best design and then, if desirable, to make any small changes that may be deemed necessary. If any person has a motif in mind, other than the two flags and the Maple Leaf, that you think is more appropriate, the Committee will be more than pleased to receive an entry bearing same. Further information, if required, may be had from Ossie Dalzell.
