

such an accomplishment would be a wonderful Christmas present for every man, woman and child in our community, since accidents are very personal things and can involve any one of us. By now each one of us should be convinced that our Accident Prevention program acts in our personal interests. "ACCIDENTS DON'T HAPPEN - THEY ARE CAUSED" - and at Terrace Bay we know from experience that they can be prevented when everyone does everything possible each day to eliminate all forms of hazards, both "mechanical" and "human". In the final analysis, good safety records are but a summary of successful day to day experience in preventing accidents.

FIRE PREVENTION CONTEST WINNERS After an extensive programme, which has been exceptionally well supervised by our genial fire chief, Geo. Maitland, the winners of all classes were presented with their prizes last Friday afternoon in the Recreation Hall. The afternoon was well planned and capably handled by Mr. C. Smith who acted as Chairman. Through the courtesy of Dept. of Lands and Forests, Mr. Campbell showed a very interesting film entitled "Bird Life", which was very well received by the pupils themselves and the too few parents who were in attendance. The main event of the afternoon was, of course, the presentation of prizes which was handled by Mr. H. C. Laundry. First prizes in posters were won by: Morise Sitko, Reg. Le Blanc and Jim Sweet. Second prizes in posters by: Paul Marcella, Helen Laundry and Jane Porter. Third prizes by: Stan Kowalik, Tim McInnes and Terry Cavanaugh. First prize for the best essay was taken by Tim McInnes, followed by Betty Dodge, second prize, Claude Boudreau, third prize and Ronald McKay, fourth prize. In the colouring book section, Barbara Steven took top honors, followed closely by Joey Wig, second prize, Lyn Porter, third prize and Tom Steven, fourth prize. The Junior Firefighters Report winner was Clifford Knauff, with John Boudreau taking second.

All in all, this contest has been one of the highlights of children's activities in the past few months. A great deal of thought, perseverance and hard work was put into this project and the News offers its congratulations to Geo. Maitland on a good job well done.

LET'S GO BOWLERS! Plans are now completed for the general Bowling Meeting which will be held next Thursday night at 8:00 p.m. in the Community Hall. Alterations are progressing favourably and it is hoped that the alleys will arrive within a week or so in order that installation can be started as soon as possible. In the meantime, if you feel yourself getting a little impatient, just use up that surplus energy by rounding up a team to bowl with.

WOMEN'S INSTITUTE The regular monthly meeting of the Terrace Bay Women's Institute was held on Thursday evening, October 27th at the home of Mrs. R. Ostling. Mrs. H. Goodfellow, Mrs. F. Soughton and Mrs. L. Mobres offered their help to Mrs. McKay in canvassing for the blind on October 29th.

Mrs. K. McKay gave her report on the Annual Convention which was held in the Lakehead. This was followed by an interesting talk on the planting of bulbs and the care of house plants. Tulip and hyacinth bulbs were then purchased by the members.

A delightful lunch was served by the hostesses, Mrs. Pletzer and Mrs. L. Moore. The next meeting will be held on November 17th at the home of Mrs. R. Scowen.
