SKI CLUB NOTES Things have been getting awfully rushed out at the Ski Hills. The recent fall of snow can be blamed for this; and all skiers are urged to come out and help finish the job.

The main thing that this club needs now (besides snow) is an honest-to-goodness gang of real workers. So, how about coming out and pitching in???

Memberships may now be obtained from Eleanor Cavar (Engineering Office) or from Garnet James (House 97). Rates are: Single ladies and gentlemen - \$3.00; married couples - \$5.00; students - \$1.50; juniors (under 12 years) - .75¢. Crests may also be ordered from the above persons.

CREDIT UNION NEWS The Terrace Bay Credit Union Ltd. is now a fully accredited organization. To better acquaint all citizens of our Community with the aims and objects of this mutual organization, a series of short write-ups is being prepared and will be published in this paper.

The Terrace Bay Credit Union was founded with the prime purpose of providing a definite savings and loan plan, whereby members could gain a measure of freedom from financial worries. The Credit Union Charter was granted by the Ontario Government, who must be satisfied that all rules, by-laws, etc., are for the benefit of all members. This Credit Union is a qualified member of the Ontario Credit Union League and of the Credit Union National Association of America. The main feature of this membership is that all monies deposited and all loans are guaranteed by these parent organizations. The Credit Union's books and accounts are inspected at regular intervals by Government Inspectors and all laws applicable to Banks, Loan Organizations, etc., are enforced.

Next week we shall discuss the conditions necessary for you to join the Credit Union and the benefits that you will obtain.

EMPLOYEES MUTUAL BENEFIT SOCIETY How many of us passed up the offer of enrolment in E.M.B.S. at the time it started? There must have been some because a check with the Personnel Department shows that only about 74% of the Long Lac employees are members. Can we afford to be without this protection with hazards of winter sports, winter driving, etc., with us? Also, as those who have been on for six months remind us, look at the Dental Benefits soon to be collected.
