LARGEST CIRCULATION IN TERRACE BAY

November 17, 1949.

BOWLING One of the most important dates in the entertainment history of this Community was Thursday, November 10th; as this is the date that the Bowling Association was officially formed. A meeting of all interested citizens was held that evening in the Community Hall and many important matters were discussed and passed on. The major item on the agenda that evening was the election of Officers for the coming season. The following were elected to office: President, Lorne Peck; Vice President, Peter Mazza; Secretary, Eleanor Pearson; Treasurer, Frank Sechosky. The Chairmanship of the three leagues are as follows: Ladies' League, Mrs. Dot Dalzell; Men's League, Jim McLeod; Mixed League, Miss Olyve Harrison. It was decided that the EASTERN COUNT would be used in computing scores, etc.

On Sunday, November 13th the Executive met to outline a method of receiving entries from all local bowlers. It was decided that entry boxes would be placed at the Time Clocks, The Hudson's Bay Store, and the Post Office. Entries may also be sent to Machine Room Test Station; Mr. Eric Heuser (Main Laboratory); Mr. Peter Mazza, Warehouse; Mr. E. L. Veitch, (Operating Personnel); and Miss Olyve Harrison, Personnel Department. Deadline of entries was set at Monday noon, November 21st.

The Executive decided on Mr. Lorne Peck as its representative to the Terrace Bay Recreation Committee with Peter Mazza as alternative representative.

The official opening night ceremonies have been set back to a later date. It seems that the experts who have recently arrived in Town to complete the laying of the alleys have stated that due to problems peculiar to bowling alleys, it would be impossible to complete the job by the date mentioned in last week's issue of "THE NEWS". However, they have promised to do all in their power to finish the job as soon as possible. Please watch this paper for definite word on the opening date. In the meantime, fill out the entry forms below and place them in one of the above noted boxes as soon as possible. Do Not delay -- now is the time to join in on the fun and recreation of this fine sport.

Those wishing to bowl in the League which is expected to commence the week of November 28th are requested to complete the forms below:
