

NOTES IN PASSING (by "The Passerby") Did you ever notice how our Bus looks from the rear, when it is going down the street? Doesn't it remind you of a stout old lady holding up her skirts and running away??

We also noticed that the rabbits have now donned their white winter coats. At least, so had the fat, sleek, but very dead one that a chap hung on a tree at the North Camp, the other day.

"The Passerby" happened to overhear a chap in the mill locker-room tell another fellow:- "The reason that needles are so hard to find in haystacks is because haystacks seldom contain needles"!! This strikes us as a new approach to an old saying.

Around about Town, we happened to notice that the Kids Rink near the school is beginning to take shape and that the sleighs, skis, toboggans and winter paraphernalia is once again in evidence due to the return of King Winter.

What have you noticed around about Town recently? Please write a short note about the happening and send it in to the Editor of "THE TERRACE BAY NEWS". He will pass it on to "THE PASSERBY" and we shall note it in this column.

RIFLE CLUB For some time now, many of the more zealous sportsmen herabouts have been planning the formation of a Rifle Club. Their fondest dreams have been realized as the Club is all set to operate. The official opening will be held at the range in Bldg. No. 14 in the South Camp, on Thursday, November 17th at 7:30 p.m. All prospective members and the general public are cordially invited to attend this opening. This Club is something different for our Community as one does not have to be an athlete to compete, and young and old are on an equal footing as far as competition is concerned. About all one needs is a steady hand and a clear eye. For further information please call Mr. C. Woodworth at 62 Ring 1.

LEGION NEWS On Remembrance Day, November 11th, many of the local Legionnaires journeyed to Schreiber to attend the Memorial Services. The parade was an outstanding success and the organizations represented included the Schreiber Branch of the Legion, the Terrace Bay Legion Branch, The Schreiber Boy Scouts, and The Ladies Auxiliary of the Schreiber Branch.

The Services at the Cenotaph were conducted by Rev. Roberts, and many wreaths were laid at the base of the Memorial. Comrades F. Whitfield and E. Cavanaugh placed the wreaths for the Terrace Bay Branch. Nearly three hundred people were on hand to pay their respects to the War Dead at the impressive ceremony.

The local Legionnaires wish to remind all citizens of the second Chicken Shoot to be held at the Rifle Club Range, Bldg. 14 on Sunday, November 20th, beginning at 1:30 p.m.

Nominations for the various Offices of the Branch will be held at the meeting of November 28th. Members are asked to note this important date.
