LARGEST CIRCULATION IN TERRACE BAY

December 1, 1949.

OPEN HOUSE AT THE NEW GARAGE At 8 o'clock on Saturday night, December 3rd, the doors of Terrace Bay Enterprises new building will be opened to the public. Messrs. Wheeler and Coghill have assured the local residents of a very interesting evening which will include dancing. All visitors will be cordially welcomed and have the various services explained to them by the staff. The opening of this up to date, modern structure represents another great accomplishment in bringing the latest type of services to the residents of Terrace Bay. No amount of money and effort has been spared by Enterprises to have this new building be a distinct credit to the Townsite and on this occasion the News joins in congratulating Terrace Bay Enterprises on a nice effort, with best wishes for continuation of pleasant relationship.

BOWLING ALLEYS OPEN TONIGHT The official opening of our brand new Bowling Alleys will be held tonight at 7:00 o'clock. Starting with the opening ceremonies sharp at 7, Bowling Competition for Mixed and Men's Doubles will follow. The Recreation Committee have supplied attractive prizes for these events, which we expect to be keenly contested. All bowlers who have submitted their names early for this competition will be given first consideration as to bowling times. It is still not too late to get your last minute entries in.

CHILDREN'S TOBOGGAN SLIDE The new site for the toboggan run has been all cleared and what with the abundant fall of snow last week is now ready for use. As the location of the slide is a little off the beaten track, to ensure the safety of our children, we will attempt to publish the directions as to how to get there. The slide is located on the south side of the highway and about 75 yards west of the Hotel. There is a clearance running parallel to the highway from the Hotel to the hill that the children are to use. Parents are asked to make sure that the children understand that they are to use that clearance and not to walk along the side of the highway.

DO YOU READ CO-OP? An item of special interest to all of LongLac employees appeared on page 11 of the Sept. - Oct. issue of Co-Op. If you happen to have missed this item, just take a few minutes out to sit down and look it up. You'll enjoy it.

After you have read that, have a look around the house to see if you happen to have a copy of Newsweek, dated November 14th. There you will see a two-page spread on pages 4 and 5, that will indicate to you that the Kimberly-Clark Corp. don't think your labours are all in vain. LongLac Pulp is slowly gaining fame and **already** the name **alone** is being referred to as being big industry and not just a lake in Northern Ontario. "We're being watched, keep up the good work."

BADMINTON The Badminton Club held its first Social Evening of the season last Wednesday night after an evening's play. About 40 members and their friends attended and participated in the night's fun, which included a Community Sing-Song led by Fred Soughton. What with dancing and a delicious lunch that was served, all hands agreed that it was an evening well spent. The members are advised that a repeat performance is being planned for a later date.

Before play commences on Wednesday, December 7th, a General Meeting will be held, at which all members are urged to attend and bring forth any new suggestions.
