LARGEST CIRCULATION IN TERRACE BAY

December 15, 1949.

COMMUNITY CHRISTMAS PARTY The date has been set and all plans are in readiness for the biggest event of the season. Next Tuesday night, December 20, is the date of our gala Christmas Party. (So now the scramble for baby-sitters is on). Invitations will be going out in the mail this week-end to every adult living in Terrace Bay plus any LongLac employees living in Schreiber.

A full evening's enjoyment has been planned by the Committee, starting at 10 o'clock and lasting till 2 a.m. There will be dancing to the melodic strains of Ted Goodsell and his Red Jacket Orchestra. During the evening free refreshments will be served buffet style and paper hats and balloons will be available to all. There will be door prizes for the lucky couple, so don't forget to bring your invitation with you as it may be the one with that all important number on it. Up till the time of going to press, we have not yet received confirmation of our talent for a floor show. However, we do expect to have some form of entertainment for you, which is scheduled to go on at 11:00 p.m. and 1:00 a.m. All indications point toward a real evening of fun galore, so dust off that Sunday suit and be sure to be attendance.

CURLING CLUB All curlers are asked to watch for notices regarding breakdown of rinks and the schedule for the Novelty Bonspiel. For those who wish to do so the ice will be ready and the rink will be open tonight, for anyone wishing to go over and throw a few rocks.

The Entertainment Committee reports that arrangements are almost complete for the New Year's Eve Dance. Negotiations have been completed whereby Roy Saari and his Orchestra will be back with us on that date.

CHILDREN'S CHRISTMAS PARTY Arrangements have now been completed for this big event and all that we have to do is wait until next Thursday, December 22nd, for the arrival of Santa Claus on his annual visit to Terrace Bay.

Starting at 1:45 p.m., the bus will make special trips through the Townsite Loop at 20 minute intervals to enable all of the wee tots to get over to see Santa. In order to save space on the bus for the mothers with small children, it is requested that all children of school age should walk over to the Recreation Hall. Inasmuch as the Hall would not hold all parents and children, a similar request is made to the parents that only mothers with small children be in attendance.

A full program including short movie cartoons, carol singing, candy and revels is planned, so that the children who attend won't forget this party for a long, long time. To top off all of these things, when Santa arrives, he will bring a gift for every boy and girl. In the meantime, kiddies, you had better be good, because
