HOCKEY SEASON OPENS New Year's Day at 2:00 p.m. in the Schreiber Arena will see this season's curtain raiser played, when the Terrace Bay "Rockets" meet Schreiber in a pre-schedule exhibition tilt. The Hockey Association Executive have really been putting in the hours trying to get the season off to a good start. Allocation of players to the three teams entered in the House League is just about completed and that schedule is due to start during the first week of January.

From all reports, the Rockets are going to be just as strong a team as they were last winter, if not stronger. The boys are really going out there to play hockey and bring the title to Terrace Bay where it belongs. So don't forget, folks: Schreiber Arena at 2:00 p.m. on New Year's Day to see a real hockey game. The Rose Bowl Football game will be played in Pasadena but they've got nothing on us, we'll have our "Ice Bowl" Hockey game in Schreiber!!!

In the meantime, all hoskey players are requested to turn out for practice each night for the balance of this week in order that the best possible team can be iced on Sunday afternoon. Players are reminded that they must hold Hockey Association membership cards before participating in any games, but that the deadline for payment of these fees
