WHAT CONSTITUTES FUN The Recreational facilities that we have in the South Camp are maintained expressly for the purpose of having people enjoy themselves. However, a few of our "younger fry" don't seem to understand just exactly how they are supposed to conduct themselves whilst they are on the premises. The Recreation Committee has spent a tremendous amount of time and effort to have these facilities made available for the Townsfolk, but if these young people persist in breaking walls, doors, locks, chairs, etc., the maintenance and repair costs will soon eat up any monies that are set aside to provide further facilities and planned programme. The names of a few of these young offenders are known, but the Committee feels that it would rather let the parents warn the lads to desist than take more direct action to bring an immediate end to this practice. In the meantime, the Committee are taking steps to have repairs made as they occur and the parents of any known offenders will be asked to pay for the charges. Won't you please do your part?

BLUE LINE BLUES Yes - we lost to Rossport 5 - 0, but we're going back at them again Saturday, January 21st at 8:30 p.m. at Schreiber Arena. Be a booster - make up a party and get in to cheer on the boys! Teen Town Cheerleaders let us down, so we've got to organize our own fanfare this week! House League Hockey games have had a struggle for survival this week - old Man Winter filled in that open-air rink on us again!

Pee Wee Hockey will swing into action as soon as goal posts and nets are in place. Bantams will be playing a game with Jackfish as soon as they can get in a few practices.

Sale of tickets for the Stag Smoker a week from Friday night - that is, on January 27th, is going ahead and we strongly recommend you see one of the following before the end of this week to be sure of getting one for yourself: Ed Brady, Conley McDonald, Jack O'Connor, Eldon Marostica, Murdo Campbell, Joe Marcella, Phil Stuart, Paul Pluta, Harold Marsh, Harry Ganja, Vern Walker, Jim McDonald, Mason Dixon, Pete Diduch, John Falzetta or Curly Hale.

Don't forget the Valentine Ball at the Recreation Centre is coming up February 10 - save some strength for that one!

A word about the hockey sweaters of the North Shore League entry - our colours are Royal Blue, Bright White and Crimson Red; white body, shoulder insert in royal blue tapered from 7 inches at top to 2 inches at cuff; crimson red underarm inserts from underarm to bottom of sweater; horizontal arm stripes in red; stars at shoulders, three a side. The boys will be wearing these by the time the playdowns start. It looks like we'll play Red Rock first in the District Playdowns as Schreiber and Rossport play off in this local section while we drew a bye on that round. More details next week! House League team names held over until final selection is made by the end of this week!
