BOW SCOUT NEWS Sunday, January 22 a happy event took place when six Scouts were entertained at dinner at Hotel Terrace by Scoutmaster Mason Dixon and Asst. S. M. Harold Hall. Scouts attending, all members of the Beaver Patrol, were Billy Marsh, Doug Smith, T. McInnes, J. Sweet, Ray Husband and R. McKay. The dinner took the form of a reward for the Patrol gaining the biggest number of points during the last four months of 1949. If the groans meant anything, the dinner was a success. Thanks are extended to Mr. John Macdonald and his dining room staff.

BADMINTON NEWS A very enjoyable time was spent on Saturday, January 28 when 24 members of the Marathon Badminton Club accepted our invitation to come to Terrace Bay for an evening of Badminton. The group was brought from the train to the Bowling Alleys where they displayed their skill until such time as the Recreation Hall was free. Then Badminton began in earnest. Our Club turned out very well to give them keen competition. Congratulations are in order for Anne Wallie and Gord Paget for doing such a swell job of organizing the games.

Lunch was served at midnight in the Teen Town Club Rooms and while some resumed their badminton game, others took part in square dances organized by Monty Paget. All in all it was a very successful evening and all the members of the Club are to be congratulated for their co-operation. We also wish to thank Teen Town for the use of their Club Rooms, record-player and records.

Marathon have extended an invitation to us to go down on February 18th for badminton in the afternoon and a party in the evening - returning on the 1:00 a.m. train. Are you in favour? If so, come out to badminton on Wednesday and leave your name with one of the executive so we will have some idea of how many will be going down. We also need to go out and practice so we can give them some real competition. There are still two Wednesdays before the 18th so come on, Club and let's see if we have as much keen spirit among our members as has the Marathon Club. We can't let them think they can walk off with all the laurels.

It was suggested by their Club president that we have a tournament between the two towns - are you interested? Well - more of that on Wednesday night!
