## A PLEA FROM THE PERSONNEL DEPARTMENT

Many persons do not give their changes of address to the Personnel Department when moving from dormitory to board in town, or when changing boarding places in town. It is essential for many reasons that the Personnel Department have this information. Changes in numbers of dependents, marital status, etc., should be reported as soon as they occur. Such important items as Blue Cross coverage or Group Insurance beneficiary listing may be affected. Don't delay -- it doesn't pay!

## LEGION LOG

Plans for the social evening to be held this Saturday evening, February 25th are well in hand, according to Ted Brown, committee chairman. This event, as stated before is open to all veterans. Tickets are on sale at the First Aid Room, Ed Brady's office and from executive members at \$1.50 per couple. Don't let the lack of a wife or lady friend stop you from coming, stags are also very welcome.

We are contacting the Dept. of Veterans Affairs and asking them to have a representative attend our meeting on March 13th to give a talk on the work that D.V.A. is doing. If you have any questions or beefs about your rehabilitation this will be your chance to air them.

It was decided at our last meeting that we should seriously consider sending a representative to the Dominion Convention of the Canadian Legion to be held in Winnipeg, May 14th - 18th. The member who latches on to this assignment will be a lucky man indeed, so roll out, you Legionnaires for the next meeting and get yourself, or the man of your choice nominated for the "job".

Looking a little closer into the future we see that a stag is planned for March 17. This will be open to everyone who can get a "late pass". Target for Saturday night -- Legion Hall - Take-off time - 20:30 hours - Crew - Pilot and co-pilot - Duration of flight - According to fuel consumption - Happy landings.
