I AM FIRE

I am more powerful than the combined armies of the world.
I have destroyed more men than all the wars of the Nations.
I spare no one, and I find my victims among the rich and the poor alike, the young and the old, the strong and the weak.
Widows and orphans all know me.
I massacre thousands upon thousands of wage earners in a year.
I am everywhere - in the home, in the factory, on the sea and in the air.
I destroy, crush and maim,
I give nothing and take all,
I am your worst enemy - FIRE.
