

EVERYBODY'S GOING TO THE FISH FRY Tickets are going fast for the Fish Fry being sponsored by the Kiwanis Club of Terrace Bay on Friday, March 24th. The big event will be staged in the Teen Town Club Rooms (next to the Bowling Alleys) instead of the Legion Hall as previously announced. This location is actually more convenient for those without transportation. In order to accommodate as many as possible, there will be sittings at 5:30 and 6:30 p.m. As seating capacity is limited, everyone is urged to purchase tickets early from any member of the Kiwanis Club. It's "all you can eat for \$1.00" with tickets for Public School children and under going for 50¢. Proceeds will assist the Kiwanis Club to build up funds to be used on various proposed community projects.
