DANGEROUS PLAYGROUND The C.P.R. Station Agent wishes it brought to the attention of all parents that the station platform is the most dangerous playground that can be found. A large number of small children, some of pre-school age are making a habit of wandering down there to play. To date there have been a few near accidents and it is feared that if this practice does not cease we may have a couple of tragedies. Please warn the children not to play near the station.

This big event is being held on Friday, March 24th in the Teen Town Club Rooms (next to the Bowling Alleys). There are sittings at 5:30 and 6:30 p.m. and a sell-out at both sittings is just about assured. Persons desiring tickets at the last minute should contact any Kiwanis Club member who will be able to find out if any tickets remain unsold. It is not expected that any tickets will be available at the door. Proceeds will assist the Kiwanis Club of Terrace Bay to build up funds to be used in various proposed community projects.
