BADMINTON NEWS We've had many favourable comments about the full evening of badminton last Saturday. 25 players from Marathon, 20 from Schreiber and 25 from Terrace Bay turned out for a really enjoyable evening. Play commenced about 7:00 p.m. and wound up at 3:00 a.m. and the courts were full right through the evening. Marathon and Terrace Bay tied for games won at 14 apiece while Schreiber stood well out in front with 20 wins. Competition was keen and it was particularly noted that Schreiber really takes their badminton seriously and they certainly put on a good exhibition.

Buffet lunch was served at midnight followed by dancing for those less rugged individuals!

We were pleased indeed to play hosts to both Marathon and Schreiber and we hope that this is the beginning of many more such enjoyable evenings between the three clubs.

Badminton members please take note!

It was decided on Saturday night to have a tournament between the three clubs, to be played off in Marathon at a later date.

Those interested will please be out for Badminton on Wednesday, April 5, to put in their names for a sudden-death tournament on the following Wednesday, April 12. The top four couples of this tournament will go to Marathon to compete with the top four couples from Schreiber and Marathon.

Remember and be out on April 5th, if you wish to be eligible for the tournament.

KIWANIS CLUB STAGES FISH FRY On Friday evening, March 24th the Terrace Bay Kiwanis Club gave the women folk of that Community an opportunity to leave their kitchens and sample masculine cooking. The Club staged a Community Fish Fry at which 275 persons were served. The menu consisted of fish, chips, peas, bread, butter, coffee and pie and was prepared entirely by the members. (After serious consideration the men compromised, however, and purchased the pies.) Serving was done by the town Doctors, School Principal, and other well known men of the Community. Atmosphere was created by each Kiwanian wearing Chef's aprons and caps on which were pinned large fish emblems. The affair was considered a grand success.

9. Service Operations	495		

IN THE DOG HOUSE

(Reserved for units with less than 100 safe days)

Machine Room - 97
Structural - 32

Eight of the nineteen units listed above have now passed the 500 safe day mark without a disabling lost-time accident. All of these eight units have worked safely since start up and they represent almost 30% of all LongLac employees. Congratulations are in order to the units so involved. And congratulations too to the Wood Yard on reaching 300 consecutive safe days. By working safely for 3 more days "Machine Room" will be out of the Dog House, leaving "Structural" as the sole occupants.
