

FATHER AND SON BANQUET HUGE SUCCESS On Saturday, April 22nd in the Legion Hall, a Father and Son Banquet was held by the Scout Committee for the Cubs and Scouts and their Fathers. The catering was handled by the Ladies' Auxiliary of the Legion and a most delicious meal was enjoyed by all. Chairman Herman Roberts extended a warm welcome to the Fathers and stated that he hoped that this would be the first of many ventures that would bring Father and Son together out in public as well as in the home.

Though the evening was originally planned as a Cub and Scout affair, it was decided later that this would be an excellent opportunity to fete the Pee Wee Hockey players after their first season's play. Mr. Bob Young of the Woodroom was then introduced and presented his trophy to Roger Leblanc, captain of Les Canadiens, who are the 1949-50 champions. In addition to holding the trophy for a year, each boy on the team received a group picture of the team and a crest to wear proudly on a windbreaker. The members of the other two teams each received a group picture of their team, which no doubt would be hung in a prominent spot at home.

The Programme then switched back to the Cubs again and 1st Stars were presented by Don Boudreau to Allan Wood, Colin Craig, Dennis Scowen and Tom Stevens. 2nd Stars were presented by Gord. Rowlandson to Jim Erickson, Stan Kowalik and Larry Wilson. As winner of a contest for the best All Round Scout that has been going on since the first of the year, Billy Marsh was presented with a handsome set of camping utensils by Gord. Rowlandson. Competition had been keen all the way on this contest, but Billy had won out just by a whisker.

To round out the evening's programme, the gathering were then treated to some movies. One film featured the progress made by the world in travel and communication. Then came a comedy featuring Abbott and Costello. Last but not least was a film taken at the Kiwanis Carnival that featured the Broom Ball game and a Pee Wee Hockey game, all in Technicolour.

The evening closed with the group singing God Save the King accompanied by Ray Husband at the piano.

The Scout Committee would like to remind the parents of the dates set for Summer Camps, Scouts - July 2nd - 9th and Cubs - July 9th - 13th. They would also like to emphasize the fact that the Summer Camps will definitely not be held at Slate Islands.

6. Electrical	531	15. Wood Room	267
7. Engineering Office	531	16. Building & Grounds	258
8. Hospital	531	17. Machine Room	125
9. Service Operations	523		

IN THE DOG HOUSE

(Reserved for units with less than 100 safe days)

Structural - 53

Mechanical - 11

Let's make every effort we can to keep out of the "Dog House". The two simple lost-time accidents this year which have resulted in 17 lost work days could have been prevented by a little more care.

ACCIDENTS CAN BE PREVENTED
