

RECREATION OFFICE HAS NEW LOCATION

The small portion of the Recreation Hall on the Bowling Alley side is now the Recreation Office. Some alterations were completed and with a couple of coats of paint it is difficult now to recognize the place. The new space has accommodation for an office, a sports equipment storage and issuing room and a dead storage space for out-of-season equipment. All in all it is worth dropping around to pay a visit where Ossie Dalzell will be pleased to see you and learn your views and opinions.

The new quarters will double in brass and serve as the Editorial Office for the Terrace Bay News.

So if you have any ideas that may be news or are of a Recreational nature, why not drop around and get them off your chest?

SUNDAY SCHOOL PICNIC

On Saturday afternoon, June 3rd, all the boys and girls of the Sunday School, their parents, and of course their little brothers and sisters, are invited to a picnic at Lake Superior Park. There will be races, prizes, ice cream and pop for the kiddies. Tea will be supplied by the Sunday School for the parents. It is requested that lunches be brought by each individual family.

Every one will meet at the school at 1:30 p.m. where transportation will be available to take everyone to the park. The program will commence shortly after we arrive at about 2:15 p.m. After the races and games we will eat, sing some songs and be ready to come back about 5:30 or 6:00 p.m. All parents who will be taking cars are asked to meet at the school at 1:30 to help transport the children to the picnic grounds. It would also be appreciated if those with cars who expect to go would notify any of the following in order that enough cars will be available: Mrs. John Wade, Mrs. Farish Hemeon, Mrs. Joan Graham, Mrs. Angus Bryans, Mrs. Middaugh, Mrs. Don Brearley, Mr. A. Driffield, Rev. Lavender and Bob Sheppard.

Remember the time - 1:30, June 3rd, at the school. Remember the place - Lake Superior Park, 9 miles west of Schreiber.

SEE YOU ALL THERE, GIRLS AND BOYS

DO OUR RESIDENTS SET FOREST FIRES?

**WE HOPE NOT!** But last year in the Thunder Bay District 116 fires were put out after 9,016 acres were burned. With the exception of those 28 caused by lightning, all of these could probably have been prevented. Timber operators, in co-operation with the Department of Lands and Forests, set up special rules for their employees. Citizens should also follow these rules:

- (1) Smoke hand rolled cigarettes only. No tailor makes allowed.
- (2) Stop and sit down to smoke.
- (3) Use safety-lighters only. No matches allowed.
- (4) No lunch fires - use vacuum bottles.

If you are going for a walk in the woods, you should have a fairly good idea of the nearest camp or place with a telephone. Last year the general public were first to report 59 of the 116 fires. This is a very important duty.

IF YOU DISCOVER A FIRE - REPORT IT AT ONCE!

Reprinted from the Fort William Chamber of Commerce "Broadcaster".

WOMEN'S INSTITUTE ELECTS NEW OFFICERS

The Institute met at the home of Mrs. Goodfellow on May 18th, to hold a regular meeting and elect their Executive for the coming year. Elected were: President - Mrs. A Farrow; Vice-President - Mrs. A. Bryans; Secretary-Treasurer - Mrs. R. C. Harris; District Director - Mrs. H. Goodfellow; Institute Directors - Mrs. A. R. Ostling, Mrs. W. Bailey and Mrs. H. Hall.

As part of the evening's business, Mrs. Goodfellow gave a very interesting report from the District Director's meeting which she attended at Fort William. Mrs. Ostling reported on the canvass for the Cancer Fund. The highlight of the evening was a demonstration of Rug Hooking given by Mrs. K. McKay.

To conclude the evening, lunch was served by the hostesses, Mesdames Goodfellow, Farrow and Bryans.
