

COMMUNITY CHURCH COLUMN: The sermon topic is not being announced in advance for the 11:00 a.m. service Sunday, June 4th. Evening service topic will be "Fear of the Lord". Full attendance is solicited for both services now that summer weather has arrived. After the service of June 11th, Sunday evening services will be discontinued for the balance of the summer months.

Ladies' Auxilliary will hold their regular monthly meeting on Monday evening, June 5th, at 8:00 p.m. in the Church Building. Program topic is "Women in the Business World." It is hoped that all members can attend.

**DON'T FORGET THE SUNDAY SCHOOL PICNIC SATURDAY AFTERNOON AT LAKE SUPERIOR PARK!** All members of the congregation young and old are cordially invited. Let's make this such a wonderful success that it will have to be an annual affair of the church.

We will all meet at the Grade Schoolyard at 1:30 where transportation will be available for everyone. All those driving their cars please report at the schoolyard where they can pick up additional passengers.

Remember, you bring enough food for your family, including cups, and we will supply ice cream, pop, and coffee. Don't forget the races and maybe the old men of the church can shake their legs enough for a ball game.

SEE YOU ALL THERE, GIRLS AND BOYS

NAVAL RE-UNION PARTY A meeting had been called for last Monday evening at the Teen Town Hall, which was attended by only two enthusiasts. Obviously this measure of support will not suffice, as it is hardly possible to plan and organize a worthwhile Re-Union without the unlimited support of a majority of local Naval Veterans.

Therefore, another meeting has been called for FRIDAY, June 2nd, at the Canadian Legion Hall, commencing at 7:30 p.m. sharp. All ex-Naval personnel (including deep sea Merchantmen) are requested to attend this very important meeting because the support tendered at this get-together will determine if the Naval Re-Union is to be held on June 17th as scheduled.

The issue then rests with the individual concerned. Either we all come out and support this project, or plans for our Re-Union will have to be shelved indefinitely.

BADMINTON NEWS Yes, folks, the Racquet Club Cabaret Dance was a huge success. It was well worth the tremendous effort put forth by Gord Paget and his Dance Committee and we'll be looking forward to another such affair at a future date. Many thanks to all of those who helped in any way to make this dance the success that it was.
