MEN'S SOFTBALL A practise and organizational meeting was called for Monday night, however only a few turned out to support the cause. A short discussion was held by those who did attend on the pros and cons of whether to organize for Fast Ball or Slow Pitch this year. In the end it was decided to have a game of Slow Pitch played this coming Wednesday night. Two teams have been chosen and it promises to be a real battle. Everyone is invited to attend this game whether you intend to play ball this year or not, especially so if you do intend to play but can't make up your mind just exactly what type of ball you want to play at.

So don't forget, fellas, Wednesday night at the South Camp ball diamond!

In the meantime, a practise has been called for Monday night at 6:30 SHARP for the purpose of picking a men's Fastball Team to represent Terrace Bay in intertown competition. All those interested in making a berth on this team are invited to be on deck.

COMMUNITY CHURCH COLUMN Sunday, June 11, the sermon topic at the 11 a.m. service will be "We Preach Christ" and at 7 p.m. the topic will be "Seeing Too Far". Rev. A. F. Lavender will be in charge of both services. It is to be noted that the Sunday evening service of next Sunday, June 11th, will be the last Sunday evening service for the summer months.

During July and August, Sunday morning services will be at 10 a.m. instead of 11 a.m.

The Sunday School Superintendent, R. T. Sheppard, wishes to thank all those who volunteered to drive the children to the Lake Superior Park picnic on Saturday last.
