

NOTICE TO ALL PARENTS During the next few months, construction will be carried on of 15 new houses. It is asked that all children be warned of the hazards of playing near the workmen and particularly the trucks and machinery. It is dangerous practice for children to play near the edge of the excavated basements during or after working hours. We would ask all parents to co-operate in keeping their children away from this work. PREVENT INJURIES - THE CHILD YOU SAVE MAY BE YOUR OWN!
