WOMEN'S INSTITUTE

The regular monthly meeting for June was held at the home of Mrs. Haughn, A goodly number of members were present and enjoyed a display of beautiful rugs made in Nova Scotia. These rugs showed what can be done with discarded clothes. During the business part of the meeting, it was decided not to hold the monthly meetings during the months of July and August.

Mrs. Ostling reported that the sum of \$242.53 had been collected in Terrace Bay to be turned over to the Cancer Fund. Mesdames Ostling and Goodfellow reported on the District Annual Convention held recently in Fort William, which they and Mrs. Farrow attended. On June 2nd, members of the Institute attended a Fire Drill at the School and on that occasion presented a plaque to Grades 5 and 6 for Proficiency in Fire Drill. At the close of the evening tea was served by the Hostesses Mrs. Haughn and Mrs. McInnes. The next meeting will be held at the home of Mrs. Solly at a date to be announced in September.

A NOTE OF THANKS FROM THE NAVY

The Naval Re-Union Committee wishes to offer their thanks and appreciation to all those who contributed in any way to make the Re-Union the success that it was. The entire affair may be summed up in Lieut. W. A. Elliott's words when he made the comment that "this is one of the most enjoyable stag Re-Unions I have had the pleasure of attending."

Hotel Terrace, Kiwanis Club, Canadian Legion and local merchants are only a few that deserve special mention. Thanks also to John Jeanneret, Frank Sechesky, Neil

Ross, Ossie Dalzell and Gino Cacamo for their assistance in various capacities.

It is now a must, that the Re-Union become an annual affair.
