ANNE WALLIE TO LEAVE TERRACE BAY It is with deep regret that we say good-bye to another of our old-timers. Anne Wallie of the Materials Department is leaving us for the bright lights of the big city, after 3½ years of service with the company in Terrace Bay. Anne was the second office girl to be employed by LongLac Pulp and Paper Company in Terrace Bay. She was the first female employee in the Materials Department.

She will be missed greatly for her willingness to help and her ability to help organize the various social activities that she has displayed in her stay here.

She has served on the Executive of the Badminton and Tennis Clubs, past Secretary of the St. Martin's Ladies' Guild, Secretary of the Social Club, one of the first organizations in Terrace Bay. She is also a Charter Member of the Curling Club. In short, she has been a great asset to this growing Community and we are all very sorry to see her go. Best of luck to you in your new venture, Anne, and we shall be looking forward to a visit from you in the not too distant future.

Congratulations to Mr. and Mrs. Bob Burella on the arrival of a baby girl on June 24th.

The Malcolm Craigs now have 4 boys, since June 24th. Looks like Malcolm will soon have a complete Cub Pack of his own!!!

KAP BALL TEAM HERE SATURDAY As you will note elsewhere in the News, the baseball team is coming down from Kapuskasing to take on our local nine in their first game of the season. The boys have been practising hard for this game and if present form is any indication, we are in for a swell exhibition of baseball on Saturday afternoon at the South Camp diamond. So let's get out there and give the boys some real vocal support.

SWIMMING The old swimming hole over at the Hydro Dam has undergone a great deal of improvement and should be ready in a few days. A grand beach has been bull-dozed for the kiddies and a high and a low board is being installed to take care of the diving enthusiasts. A cat-walk boom is being installed around a designated area that will have proper supervision and instruction at periods that will be publicized just as soon as a few wrinkles are ironed out.
