Sunday, July 23rd - Mass 8:00 a.m. and 10:00 a.m. No evening devotions.

###

A. MID-SUMMER DANCE Details have been pretty well arranged in connection with this dance which, as reported last week, is being sponsored by the Ladies Guild and Men's Club of St. Martin's Parish.

Our own local orchestra, under the capable direction of Joe Adamo, will make it's debut at this dance, and Joe has promised something new in dancing rythm. He'll be alternating on his Saxophone and Clarinet, with a Tenor Sax, Guitar, Piano and Drums rounding out the band.

The Ladies Guild are busily engaged in lining up a delicious lunch which will be made up of sandwiches, sandwiches and more sandwiches. Soft drinks will be dispensed at the dance for a nominal fee.

Two door prizes will be offered - one for the gentleman and one for his escort. These will be \$5.00 gift certificates, redeemable at the Hudson Bay store.

Dancing will be from 10 p.m. till 1 a.m. and the big night will be Friday, July 28, 1950. Admission will be \$2.00 per couple. Get your baby-sitters lined up soon and save disappointment later.

AN ARTIST IN OUR MIDST? It has come to our attention that some of the local parents are taking good advantage of some first class talent that we have in our midst, by having their children's portraits done by a young man by the name of Austin MacMillan who lives in the North Camp, Dorm. 105, Room 26. Judging by the amount of praise being handed out by those who have seen his work, we must have a real master of the pastels in our Community.

Congratulations are the order of the day to: Mr. and Mrs. Clifford "Red" Wood on a new arrival. A boy was born to them on July 12th.

Mr. and Mrs. Tim Hubeny on the birth of a girl on July 14th.

LADIES SOFTBALL

The ladies journeyed to Port Arthur over the past week-end and dropped a double-header to Porky's on Sunday. Scores were 9-7 and 18-8. Without making any alibis for the local ladies, we feel that it is fair to mention that due to vacations, weather conditions and work schedules, the team was away below its usual strength. So, as the old saying goes, "Wait 'till we get 'em in our own back yard again."
