LARGEST CIRCULATION IN TERRACE BAY

August 3, 1950

BASEBALL TONITE

Local baseball fans are in for a treat tonite when the boys from Schreiber come to Terrace Bay to take on the local lads in an attempt to avenge the defeat they suffered last Friday night in Schreiber. From all accounts, that game was a real corker. Tied 5 all at the end of the seventh, the teams decided to play an extra inning to break it up. In the first half of the 8th., Bill Borsum got on base and then came the climax of the evening when Dann Gillis came to bat and drove one out of the park to score two runs and give our fellas a 7 - 5 lead. Coming to bat in the last half of the 8th., Schreiber were able to squeeze one run only off the battery of Borsum and Keeley. A great deal of credit for the win is due to young Bill Keeley for the way that he stepped in to take over the catching chores when Johnny Schritt and Phil Stewart were both unable to play that night.

Tonight's game will be the first opportunity that the local fans will have had to see the boys in action so let's take advantage of that opportunity and get out there to give the boys some real vocal support. Game time is set for 6:15.

BADMINTON ANNUAL MEETING

The attention of all Badminton Club members is drawn to the fact that the Annual Meeting will be held on Wednesday, August 9th., at 7:30 PM in the Teen Town Club Rooms. The main items of business on the agenda for this meeting are to elect a new executive for the 1950-51 season and to make plans for another Cabaret Dance to be held late in September.

Every member is urged to attend and any person who is interested in Badminton, whether you can play or are interested in learning to play, will also be more than welcome.

We have purchased new equipment for the forthcoming season and it is hoped that we can set up competition with clubs in the surrounding North Shore area. So come out and back your club -- we need your support to make this the best year in the history of Badminton in Terrace Bay.

Remember - new members are very welcome!

KIWANIS WADING POOL

The members of the local Kiwanis Club wish to announce that the Kiddies' Wading Pool will be opened for use on Sunday, August 6th. A great deal of time and effort has gone into the construction of this pool and it is hoped that the parents of the Townsite will encourage the kiddies to make good use of it.
