TO MEMBERS OF THE CREDIT UNION

Through the kindness of the LongLac Pulp and Paper Co. a metal deposit box has been manufactured and will be placed in the Clock Alleys at the Mill for the convenience of depositors.

To better facilitate the collection of deposits, loans etc., members are asked to fill in their deposit slips correctly and place the slip and the money INSIDE the account book and drop it in this deposit box.

The Treasurer-Manager will collect these deposits each day and return your book to you, personally, as soon as possible. The box will be so placed that the Company Guards will be able to watch it at all times and thus you are assured that no risk is being taken.

This arrangement does not supersede the collections by the authorized collectors, Messrs H. Goodfellow, W. Baillie and F. Vanier ---it is merely an attempt to further Credit Union Service.

Your attention is also directed to a write-up on a Credit Union suggestion which will appear at an early date in this paper. Please read it carefully and point it out to your friends because your Board of Directors feel that it will render concrete service to all residents of Terrace Bay.

NEXT WEEK'S SAFETY SLOGAN

(9:00 a.m. August 28th. to 9:00 a.m. September 4th.)

Due to the Rev. Lavender being still on vacation, service at 10 AM this Sunday will be conducted by Rev. G. Crawley of Schreiber.

Holy Communion will be administered according to the rites of the Anglican Church.

All Protestants in the Community are cordially invited.

KIWANIS WADING POOL

Now that the pool has been completed and is being used, it is the wish of the Club that it be used to the best enjoyment by the kiddies. Quite a few complaints have been received that some of the older boys in the Community have been interfering with the kiddies' enjoyment. While no age limit has been set for those allowed to use the pool, parents are asked to instruct their children to refrain from doing anything that might injure another child, such as throwing sticks, etc. The children are also asked not to use the pool unless the gate is unlocked, it is opened daily at 1:00 PM.

A NEW SUBURB IS ADDED

Dave McDonald tells this one about the little girl that he offered to give a lift home to.

It seems that Dave stopped on the Mill road to pick up this little girl who was merrily tripping her way home from the swimming pool. When he offered to give her a lift home to the Townsite she promptly replied that "She didn't live in the Townsite, she lived on KENOGAMI ROAD".

ACCIDENTS ARE PREVENTABLE!

As almost everybody knows, Ed Brady missed last week's Safety Slogan.
