A LONG SHOT!

At a recent meeting of the Wood Handling Safety Committee, a decision was made whereby all monies earned by the three units "Jackladder", "Wood Yard", and "Wood Room" would be pooled. With the money, Ronson lighters were purchased and a draw was held for these lighters last Tuesday. Names or numbers of everyone eligible, were placed in a box (and incidentally were checked after the draw by the Union Steward, Adam Zyri).

On the very first draw, Rune Ostling's name came out. Being a Foreman, Rune wanted to decline taking the lighter but Super Ron Faust ruled otherwise, never suspecting what was about to happen. With someone else doing the drawing, whose name came out next? None other than Ron Faust's ! That was too much for Ron. He flatly refused to take the lighter.

Ray Belliveau and Fred Zwarych found themselves the lucky winners of the next two lighters but later in the day when the last lighter was drawn for, Ernie Rowson, another foreman,. was the man of the hour.

"Honest fellas, it wasn't fixed".

SWIM MEET SUCCESSFUL

Despite the chilly breezes, Terrace Bay's first swimming carnival was a reasonable success. Some of the events had to be cancelled due to unfavourable conditions and the Ornamental Swimming team from the Lakehead did not complete their routines for the same reason. However, the major portion of the events was completed and the contestants, if no one else, seemed to be able to keep themselves warm.

Congratulations to the following on the successful completion of their Red Cross Swimming & Water Safety Tests: Senior - John Wade; Intermediate - Billy Marsh, Jim Sweet David Dunning, Terry Cavanaugh and Jim Ryan; Junior - Mavis MacFayden, Jackie Marsh, Ronald MacKay, Roger Leblanc, Ray Husband, Chuckie Craig, Brian Harvey and Joseph Marcella.
