Tuesday is the day that the children head back to school for another year. Parents are requested to see that the children are at the school for registration at 9:00 a.m. This applies whether this is the child's first year at school or if they are returning from last year.

It is also to be noted that the School Bus for High School in Schreiber will resume its regular schedule on Tuesday morning to transport pupils there.

### SWIMMING POOL CLOSES SUNDAY

The bus will make its last trip from the Townsite to the pool on Friday morning, and Sunday, September 3rd, will be the last day that the pool will be open for supervised swimming this year. It is felt that we have had a fairly successful swimming season here this year and already plans are being formulated for many improvements at the pool for next season when, it is hoped, we shall have a lot nicer weather for swimming.
