SIGNS OF THE TIMES

There is a great amount of activity going on around the Townsite these days. What with the construction going on of new houses, a new Post Office, and Catholic Church, the place is a real bee-hive of industry. Recently we have acquired a new and ultra-modern butcher shop; Terrace Bay Enterprises garage having a "new look" about the place with new services, including "free air" service; Terrace Groceteria with it's Coffee Bar and the Bay with it's new grocery department and many changes upstairs.

All of these and others under consideration, tend to make life just that much more comfortable here in our fast-growing new little community.

The ladies' ball team, whom some fans refer to as the "Terrace Terriers", journeyed up to the Lakehead last Sunday to engage the "Bryans" in a return double-header. The first game was a heart-breaker which the gals dropped by the score of 9-6, but in the second game the ladies must have started to feel the strain of the long trip as they went down to the tune of 16-9.

As part of the Labour Day weekend celebration in Terrace Bay, it is expected that "Bryans" will return here for the weekend to play a single game on Sunday afternoon and another on Monday at 4:00 p.m.

LOOTING OF GARDENS

Reports have been received that a few of the vegetable gardens in the Townsite have been looted or are being tampered with. The co-operation of all residents is solicited to report any thefts or attempted thefts in this respect. Many of the tenants have put forth a great deal of effort on these gardens and deserve any help that is forthcoming.

NEXT WEEK'S SAFETY SLOGAN

9:00 a.m. September 4th to 9:00 a.m. September 11th

"A PLACE FOR EVERYTHING AND EVERYTHING IN IT'S PLACE"

Last week's slogan was missed by Rollie Scowen, Pulp Department Tour Foreman, who thereby lost an opportunity to win an easy \$10.00.
