

NO MOVIES TILL FURTHER NOTICE

Due to the continuation of the Railroad Strike, we have no schedule of movies to be received here until the express cars start moving again. It is anticipated (if the strike is settled by the week-end) that we shall have a film for showing next Tuesday night, September 5th, however it is almost a certainty that we won't have any films here in time to show this Saturday night.

LABOUR DAY JAMBOREE (Cont'd from Page 1) has been declared on the husbands of Terrace Bay for the day. (No poachin' please)

"Bingo"

A mammoth bingo has been planned for Monday. The valuable prizes will be both many and varied--to name a few:- Electric Toaster - Blankets - Electric Kettle and many, many others. Come early and be assured of a seat.

"Games of Chance" and skill will be in operation all day.

"Canteen Tickets" are to be presented by the children to the Refreshment Booths, where they will be served their Pop, Ice Cream, etc., whenever they wish to have it.

"Tug 'O War" - Three teams have entered the battle to date. "Tiny" Cochrane will be leading the Pulp Conversion men against Joe Marcella's boys from the Wood Handling crew. Tiny promised not to drag Joe's boys around the Ball Park more than once. Maintenance gang have also stuck their necks out by entering a team. The prize for this event is some of the same stuff that made Milwaukee famous.

"Ladies Ball Game" - One of the main attractions of the afternoon will be the Softball game between the gals of Terrace Bay and the Fort William "Bryans". This should prove to be one of the more interesting games of the season.

"Boxing Bouts" are scheduled to take place in the early part of the evening, these are being planned by the Terrace Bay Athletic Club. In the preliminary bouts, 5 of our scrappers will tangle with 5 of Schreiber's best. The boys are all well matched and in excellent condition and we should see some real talent at work. The Main Event will be:

Long John Sullivan

vs

Generous Jim Corbett

A great deal of effort has gone into promoting this bout and shouldn't be missed by anyone.

"Acrobatic Team" from the Port Arthur Finnish Athletic Club will give an exhibi-

tion of Acrobatics and Tumbling following the boxing matches. A repeat performance will also be staged during the intermission at the dance. These are Top Flight Performers, don't miss them!!

"Labour Day Ball"

Here is the perfect ending to a perfect day. The music will be supplied by our own local orchestra and the Ball Room in the Recreation Hall will be decorated by "Cumming". Everyone in attendance will receive novelties and noise makers to put everyone in the holiday spirit. The refreshment booth and the checking concession will be handled by the Boy Scouts.

"Come One - Come All - To the Labour Day Ball".

In Case of Rain:

Plans have been made to take care of as many of the events as is possible in the Recreation Hall, should we have rain.

SOFTBALL

The local men's softball team journeyed to Red Rock last Sunday to take on their team in a return game for the ones played here earlier this year. Our boys did not fare so well on this trip as they came out on the losing end by the score of 13-3. However it was anybody's ball game for 6 innings, as the local lads trailed by the score of 4-2 in the sixth but then had one bad inning and that was that. If we are favoured with some ball playing weather in September it is hoped that we can finish out the season with better results, right here in Terrace Bay.

ATTENTION PARENTS

Several complaints have been received about the children going into garages that are left unlocked during the day and causing considerable damage to items such as storm windows, etc. It is requested that parents advise the children that they are not to play in the garages.
