## Topics for Sunday, October 1:

Sunday, October 1st, is being observed by Christian churches of nearly all denominations as World Communion Sunday. At the morning service of the Terrace Bay Community Church, "Holy Sacrament" will be administered. It is hoped that every member and friend of the congregation will be present. A special offering will be taken on behalf of the Canadian Council of Churches.

The minister has chosen as the topic for the evening sermon, "The Hands of Jesus."

On Monday last, the Presbytery of Superior met in the Community Church for the transaction of the regular quarterly business. Ministers and lay delegates were present from the Lakehead churches, from Murillo, Nipigon, Schreiber and Terrace Bay. Mr. W. Borsum, chairman of the Community Church board, was the official representative from Terrace Bay.

At the dinner meeting which was held in Hotel Terrace, the main speaker was Rev. K. G. McMillan of Fort William who reported on the General Council of the United Church recently held in Toronto.

Rev. Russell Peden, chairman of the Presbytery, presided at both the afternoon and evening sessions.

Members of Presbytery were entertained for the evening by members of the Community Church.

The sincere thanks of the Presbytery is extended to all who so generously opened their homes to the visiting ministers and laymen.
