

KIWANIS CLUB NEWS

Members of the Kiwanis Club of Terrace Bay were hosts to the Kinsmen's Club of Schreiber on Tuesday evening last in the Hotel Terrace.

In the absence of President Bert Laundry, Vice President Al McColl presided and extended a hearty welcome to the visitors.

The speaker for the evening was Glen Lumbers who gave a very interesting and informative talk on the history of spices, telling many interesting stories in connection with the spices that we most commonly use. Glen was thanked for his address by Jack Ridge, who voiced the appreciation of all present.

Doug Douglas, Vice President of the Schreiber Kinsmen, acting for Alex Gordon, the President, called on Ken Hutchinson to thank the Kiwanians for their hospitality. In expressing the hope that many more inter-club gatherings between the Kinsmen and the Kiwanians could be arranged, Ken was speaking for every member of both clubs.

Last Wednesday, some seven Kiwanians and their ladies under the leadership of President Bert and Mrs. Laundry, journeyed to Fort William to attend the Ladies' Night of the Kiwanis Club of Fort William and Port Arthur.

The "piece de resistance" of the evening was an address by Don Murdock of Winnipeg, president of Kiwanis International who gripped the attention and inspired the hearts of all who heard him as he recounted the achievements of Kiwanis and envisioned its possibilities.

Don made a stirring appeal to every Kiwanian present to place more emphasis on the spiritual interpretation of life and challenged his audience to safeguard and promote the interests of the three great institutions of the country; the home, the church and the school.

Those who had the privilege of listening to our chief felt that it was well worth the journey in spite of the fact that certain members of the party spent the night by the side of the road, a situation for which fog was entirely responsible.
