EYE, EAR, NOSE & THROAT CLINIC

In last week's "News" it was reported that Dr. E. N. Wright of Port Arthur would be in Terrace Bay this week-end to examine the children. Dr. McCausland now advises that Dr. Wright is unable to be here this week-end but will be down on Saturday, November 4th, and Monday, November 6th. A number of children have already been selected to be examined and any parents suspecting their children of having defective hearing or vision are asked to contact Dr. McCausland immediately.

VISITORS OF THE WEEK

This week we are pleased to welcome Messrs. Thad Epps, Stu Neuville, T. Hoppie and R. Rogers all of K-C Neenah, W. G. Wilson from Kap and last but not least, "Ham" Craig from Toronto.

Mr. and Mrs. Tom Mills of Iroquois Falls visited the Fairfield Vaniers on their way through to visit their son Charlie at Marathon. Until he was pensioned recently, Mr. Mills was the Townsite Manager at Iroquois Falls for many years.

THE SECRET OF SONGBIRDS' POPULARITY

One of the secrets of the astounding success of the Basil Horsfall Singers, who are on their way here with a brand-new production, is the fact that opera has been made easily understandable and therefore more delightful to the masses. This notable group uses only English translations in their renditions of scenes and songs from the world's best-loved operas; operettas and musical comedies.

It can be hardly expected that the average person can know the various foreign languages used in numerous operas. To these, therefore, the gestures of the artists, and their emotional outbursts, have little meaning. But with every word understandable, the audience can revel in the scenes portrayed and go away more than satisfied with the evening's entertainment.

The Basil Horsfall Singers are bringing a completely new program, "Cavalcade of Song", and, later, will return with more new productions, assured of a welcome whenever and wherever they appear.

They will be heard and seen here at the Recreation Hall on Monday, November 13th. Tickets are \$1.00 each and can be procured from any member of the Kiwanis Club.
