

CANADA SAVINGS BOND SUBSCRIPTIONS PASS \$90,000 MARK

Canada Savings Bond sales to LongLac employees have passed the \$90,000 mark which represents an increase of almost 15% over last year's subscriptions. The average sale has also increased more than 10% to \$342 per buyer.

A great deal of credit for the success of the campaign is due to the excellent efforts of the canvassers and the Campaign Chairman, F. O. Soughton would like to take this opportunity of thanking all 22 members of his canvassing organization.

Listed below is a breakdown of sales to date compared with last year's totals:
