TAKE TIME TO PREVENT FIRES

### TO ALL SKIERS

SKI-ING at Terrace Bay the last few years has been something short of good, as most of you enthusiasts know.

LAST year, we came close to having our first good year; but the snow caught us with a half-finished hill.

THIS year, however, we have a perfect hill, complete with club house. The only thing we lack is an executive to run the club. Last year we had Jack O'Connor....who has left us for snowier pastures.

BUT we can remedy that if all you skiers will turn out and help. An organizational meeting will be held....THURSDAY NIGHT, NOVEMBER SIXTEENTH, in the TEEN TOWN CLUB ROOMS.

WITH a good turn-out we can elect officers for the coming year. The Company has helped us in every way and now IT IS UP TO US !!
