The regular weekly Cub meeting will be held at 6:30 p.m. on Friday in the Armouries.

Last Friday evening, on their way home from a Cub meeting, a few of the boys spent a very interesting session on the operating cab of one of the Diesel Locomotives where amiable crew members answered the boys' eager questions on Diesel operation.

PUCK PATTEN

If the present pattern for hockey this winter is anything to judge by, local hockey fans are in for a full season of top-notch games. The North Shore Hockey League recently completed arrangements for the operation of a four-team league comprised of Terrace Bay, Schreiber, Marathon and White River. All games will be played in the Schreiber and Marathon arenas with Terrace Bay using Schreiber and White River using Marathon as home rinks. The schedule will be a home-and-home affair with each team playing 6 games each, prior to the play-offs. In the first game of the season, Schreiber will be at home to Terrace Bay on Saturday night, January 6th. In the meantime, the Executive of the local team is sparing no effort to organize plans to ice a team that every resident will be proud of. Just as soon as there is ice available in the Schreiber Arena, practices will commence, and any hockey players interested in trying out for this team are asked to leave their names with their Time Clock and Shift-Nos. in the Terrace Bay Newsboxes in the mill before December 1st. This is necessary in order to complete arrangements for equipment and practice hours.
