SOMETHING NEW IN ENTERTAINMENT

A 3-act Farce-Comedy play sponsored by the Ladies Auxilliary will be presented to the local public on Friday and Saturday, Dec. 8th and 9th, in the Rec. Hall at 8:00 p.m. The decision to present this play on two successive nights was made so that each patron may have a good view of the stage and also to help eliminate the baby-sitting problem. For this occasion, the present stage is being given a "face-lifting". Jim Cumming has promised an eye-opener in this respect. Advance ticket sales start today and you will be contacted. Admission prices are Adults .75¢ and children .25¢. Tickets are good for either performance. Don't miss this very worthwhile piece of entertainment.

EVERY UNIT "IN THE CHIPS"

Midnight last Monday marked the end of the 3rd 50-day period in the 200-day Mill-wide LongLac Safety Contest, and every one of the 20 units involved earned prize money. In the first period, three units missed out. During the second period, the number was reduced to one.

Although this was not a bonus period, three units did pick up bonus money for having completed stretches of 100 consecutive safe days during the contest.

The 200-day contest will end officially at midnight on January 9th, 1951, and units completing 200 safe days by that date will be entitled to a bonus of 30¢ per person in addition to the regular 25¢ payment per person for working 50 consecutive safe days.
