

COMMUNITY
VARIETY PROGRAMME

1. QUIZ SHOW
2. SPECIALTY MUSICAL NUMBERS
3. QUARTETS
4. COMMUNITY SINGING
Old Time Music
Christmas Carols

Come on out to the old-time Community get-together at the Recreation Hall 8:00 PM on Wednesday, December 13th.

"Knowledge Teams" chosen from the staffs of The Bay and Hotel will be competing against one another in a "battle of the wits". Let's get out there and support your favourites.

SEVEN GOOD REASONS FOR HAVING AN
ACCIDENT-FREE DECEMBER

1. No one wants to be off work during the Christmas season because of an accident.
2. We're in line for a "Certificate of Achievement" from the National Safety Council if we hold our Frequency Rate at its present level.
3. In the Ontario Pulp and Paper Makers' Safety Association Contest, Class "A" with 21 Ontario mills competing, we have moved into 2nd place and a win is possible.
4. In the Northwestern Ontario Contest, which includes 10 mills we were 3rd at the end of October, the period covered by the last report. In this contest anything could still happen.
5. As of November 30th, we held a slight lead for the first time since last April in our Contest with Kap. We need every safe man hour we can get to hold our slight advantage.
6. In our local 200-day contest the final pay day is January 9th and since it's a bonus pay-day every unit will want to be "in the chips".
7. By working for the balance of the year without an on-duty disabling injury we will celebrate at a big Community Party in January.

KIWANIS CLUB

As a result of the recent visit of Dr. Wright the eye, ear, nose and throat specialist, 30 children of school age and 2 children of pre-school age were found to have defective vision. Of these, 25 children have now been fitted with proper glasses to correct the deficiency. The remainder require other remedies.

The cost of Dr. Wright's examination was paid for by the Kiwanis Club of Terrace Bay, from funds derived from the support of their various projects by the community.

BULLDOZER SERVICE

The Company will this year again supply Bulldozer service for snow removal for driveways in the townsite area, this service is only to be supplied at Company convenience as the Mill will have top priority. If and when the Bulldozer does go to the Townsite, the charge will be \$1.00 per driveway but if called out on a special trip it will be based on \$9.00 per hour.

All calls for the above service should be made to Local 54 - to Dave McDonald or Alex MacDonald.
