BADMINTON

The North Shore Badminton League got under way in Marathon on Sunday. With the help of our cheering section of Glen Bailie and Company, the local team went to town and brought back the bacon. When the points were added up, it showed Terrace Bay with a very comfortable lead to take into the next match. The scores were Terrace Bay 15, Schreiber 9 and Marathon 6.

The team captain wishes to thank the members of the club for giving up time so that the team could get in the extra practice and the members of the team for their showing on Sunday.

CHANGE IN BUS STOPS

As a safety precaution the following change has been made in the bus stops in the Townsite, where the bus takes on or discharges passengers. The bus will now stop on the far corner of the intersections where it is presently stopping. It is hoped that this change will ensure better vision of the corner for oncoming motorists and the bus patrons.
