# season's greetings

These are momentous days in the history of mankind - days when the very roots of our "way of life" are threatened by evil forces which seek to overthrow our priceless tradition of liberty and opportunity.

As the Yuletide Season approaches this year, we ought all to reaffirm our belief in those principles for which Christmas itself stands in its true sense -- principles which place emphasis on the Brotherhood of Man and a God of Love, not a doctrine of hate.

May the Spirit of Christmas with its message of "peace on earth and goodwill among men" live not only in our hearts but spread its influence throughout the world.

A Merry Christmas and a Happy and Prosperous New Year to All.
