GEORGE COULTER RETURNS TO KAP.

Local residents will bid a sad adieu to one of the Town's oldest residents (in terms of citizenship, that is) when George Coulter, the genial manager of the Imperial Bank, returns to Kap that he knows so well. When George came to Terrace Bay in 1946, the town wasn't very far past the stage of a plan on a drafting table. So, in a sense, he might well be called one of our real pioneers. During his stay here, George has been a real asset to the Community. He has served as a Trustee on our Improvement District Board, was one of the original members of the Community Church Board, the Masonic Lodge, the Kiwanis Club and has held office on numerous other projects around the Town. When George takes his good wife Marg to Kap next week, Terrace Bay's loss will most certainly be Kapuskasing's gain. Good luck to you both!

George's position at the Bank will be filled by Mr. Pugh who will be coming to us from Sudbury, to whom we extend a hearty welcome.

CARD OF THANKS

I would like to take this opportunity of expressing my real thanks to those individuals and organizations who so greatly assisted me during my recent illness.
