SAFETY PARTY EARNED

We ended up 1950 with 102 safe days behind us and the promised Community Safety Party is therefore about to become a reality.

The Committee set up at the last Accident Prevention Committee meeting in December got into action yesterday and set January 17th as the night for the dance which will be held in the Recreation Hall with Joe Adamo and his "Northern Knights" providing the music. Additional details will be announced shortly.

For those who do not dance, moving pictures will be shown in the Recreation Hall on Friday and Saturday evenings and Saturday afternoon, January 19th and 20th. This applies particularly to the youngsters, of course, who will all receive a package of Cracker Jack as they enter the show.

It should be noted that while no invitations are being sent out to anyone, everyone in the Community is invited as well as LongLac employees and their immediate families living in nearby communities.

And while we are on the subject, it has just been announced that another Community Party or Community Event will be staged if we run our present safe day total to 200 days. By so doing we will break all previous mill safety records and be well on our way towards a million safe man hours. It's an objective really worth striving for, since everyone benefits when accidents are prevented.

Now would be a good time to get that Christmas tree out of the house and take down those decorations before it's too late. Don't hang on to fire hazards!

GOMBOLA GOES TO JACKLADDER!???

The current story along the Rue de Rumour has it that Pete Gombola has "rolled" himself out of that nice warm seat in the Engineering Office into a cold, bleak spot out at the Jackladder. It seems that Pete either didn't know, didn't care, or just didn't give a darn that Boss Joe Wig was the holder of the High Single to date at the alleys with a nifty 359, so Pete went out on Tuesday night and knocked over the maples to the tune of 385, no less!!

FLASH!! -- Ron Faust refuses to accept Gombola on grounds of lack of respect for superiors. Pete taken back in Boss!! good graces on promise not to do it again.

All jokes aside, Peter, nice work!

SCHOOL RINK READY FOR SKATERS

Now that the ice surface has been enlarged, a new dressing-room installed, and additional lighting provided, the school rink is ready for pleasure skating. The following hours have been set aside for that purpose; Monday, Wednesday and Thursday - 8 to 11 p.m. (adults only); Tuesday, Friday and Saturday - 8 to 11 p.m. (open skating for all ages); Sunday afternoon (open skating).

Here is a real opportunity for you to get some exercise and fresh air, and at the same time, a little enjoyment.

STORK CLUB

We had hoped to welcome the first baby of 1951 in this issue, but find we are still dealing with 1950. Congratulations to Mr. and Mrs. Sam Boyd on receiving the finest Christmas present of the season; a baby daughter on Thursday, December 28th.
