## MOVIES

Saturday, January 6th: - "ONCE MORE MY DARLING"-

starring Robert Montgomery and Ann Blyth. It's that long, long laugh you've been longing for! And how you'll scream when the bewildered gent gets wolfed by some nineteen-year old "dynamite".

Saturday Matinee as usual for children. Title not yet available.

Terrace Bay's entry in the North Shore Hockey League - the Rockets - are really getting into their workouts and from all accounts they are shaping up to be the best hockey team that we've had to represent the Town. Their first scheduled hockey game has been set to take place against the Schreiber "Deisels" in Schreiber on Thursday, January 11th.

## MIGHTY MITES

The PeeWees are getting themselves in shape for their schedule which is due to start on Monday, January 8th, at 6:30 p.m. at the school rink. Once again this year, there will be three teams sporting the colours of Canadiens (defending champs,) Maple Leafs and Black Hawks. The final practice sessions have been set for Saturday afternoon, with the Hawks on the ice from 3 to 4 p.m., the Leafs from 4 to 5 p.m., and the Canucks from 5 to 6 p.m. Coaches Adamo, Cumming and Mosienko will be on hand to put their charges through their final workouts.

The Bantams, who will be playing their hockey against three Schreiber teams this winter, will take to the ice on Thursday at 4 p.m. to prepare for their opening game, which will be played in the Schreiber Arena very shortly.

The Midgets will work out on Friday night at 6:30 in preparation for their opening game which is expected to take place soon. They, also, will be playing their hockey against Schreiber teams this winter.

All of the PeeWee games will be played at 6:30 p.m. on Monday and Wednesday nights at the school rink. One of the main reasons for this change is so that all adults will have a much better chance to get out and see these games and lend a little vocal support to the "Stars of Tomorrow".
